Dear Adele:

Re: Testimonial

I have been with Stikeman Elliott for 2 ½ years. In that time our office staff have doubled in numbers!! Needless to say with growth comes all of 'behind the scenes' work.

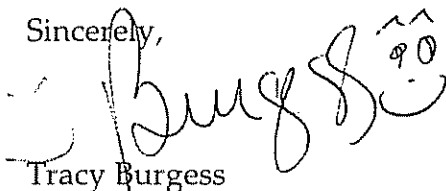

Between renovations, office moves, file room moves, keyboard shuffles picture hanging..... the list goes on..... CSS have continually provided exceptional service!!!

Even though many of our requirements are last minute they always seem to fit us in a timely manner. The entire team are courteous and provide above and beyond service. When they arrive I often have 'an extra job' which wasn't on my list and, time permitting, we are usually accommodated.

During this time I have come to look at the CSS team as friends and would not entertain using any other company. They take pride in their work and have strong company values.

It is a pleasure to do business with this outstanding company!

Sincerely,

Tracy Burgess
